

Bedding Rental Policy-2019

YBC has always asked campers to bring their own bedding. An exception is made for GUEST SPEAKERS and for others who fly from distant locations and cannot bring bedding.

The Board of Directors agreed that bedding will not be provided free due to the high demand and the time and expense of doing so much laundry.

\$5.00 - Rental fee for bedding sets

*twin or full sheets, blankets, pillows and towel

Rental bedding must be returned to the King cabin when checking out.

The Manager will collect the bedding fee.

Thanks for your cooperation.

Managers,

The Board of Directors are asking you to disperse the bedding and charge a rental fee of \$5.00 per set (sheets for Twin or Full beds, pillows, blankets, towels). This policy was prompted by the high numbers of people who just used the camp bedding rather than bring their own. That placed and left a heavy time burden on volunteers, besides the expense of doing the laundry.

As has been a longstanding exception, Guest Speakers and those flying are not to be charged.

Each rented set is to be returned to the King cabin when the guests checkout.

The red top cabinet in the King living room is now locked and needs to be locked at all times.

Thanks for your help.
