

March 19, 2020

We have spent the last several weeks learning more than we ever imagined about this novel coronavirus that has been named COVID-19. We have been monitoring the rapid spread of this virus and the resulting sudden impact it is now having on the global economy. Our thoughts and prayers go out to all those who have already been affected by this crisis, and we hope that all of our families, friends and colleagues stay as safe as they possibly can as this crisis unfolds. One of our board members recently made this statement: "Only the Lord knows where this will go. One thing we know is that Jesus is Lord and we are in His eternal care." We are seeking God's wisdom as we think about this coming season and what challenges we might be facing. As we look at our 2020 camp season we are prayerful that our current situation will improve and that our camp season will arrive and thrive as never before. However we understand in these unsettling times that there is concern and maybe even sometimes doubt. So we are changing our Refund Policy for the 2020 season to include 100% refunds on all camps no questions asked. We hope that this will provide some peace and comfort for each of you as so many of us try to plan summer events for our families and friends during these difficult times of uncertainty, confusion and unrest. Finally, we thank you for choosing Yellowstone Bible Camp!

Looking forward to seeing you this summer at Yellowstone Bible Camp!
